#### EDUCATION:

**BA: Psychology  
B.ED: K-8  
MA: TESOL**

#### PERSONAL STATEMENT:

I have a passion for promoting professional development within Korea's EFL community. While teaching may not be in our background, Korea is where life has taken us and, as such, we should make sure we do the best we can while we are here. I love the community that KOTESOL provides. As Nominations and Elections Committee Chair I will try to encourage others to run for positions in this great organization.

Signed: Mike Peacock
