Consent to Collection · Use of Personal Information

Purpose of Collection/Use	KAIST collects personal information to examine job competency, qualifications, characteristics, etc. of the applicant. The personal information you provide will be used for the applicant screening including document screening and interview, and selection purposes only.
Items to Be Collected	Personal identification information(name, e-mail address, contact information, etc.), job-related education, experience, academic/research achievements, qualifications, etc.
Retention/Use Period	Personal information provided is retained and used by KAIST employees who are part of the recruitment and hiring process only, and shall be deleted and destroyed after the retention purpose is achieved.
Right to Refuse to Agree	Consent to collection/use and provision of personal information may be rejected. However, if an applicant does not agree, his/her application will not be accepted because it makes it impossible to actually proceed with the recruitment process.
I confirm that I have read and understand the content of this Consent Form, and agree to the collection, use, and provision of the personal information I have provided in the application form for the aforementioned purpose and period. mm.dd.yyyy Applicant: (signature)
